

EURO EDUCATION

European Fitness School

!! UNITED ON DIVERSITY !!

!! The success is the sum of the right decisions !!

EUROEDUCATION European Fitness School

Who we are...

- ❖ **EUROEDUCATION** (European Fitness School) is an sportive association created and developed in 1996 for Guillermo González Vega (Master degree in phisycal education from sport university in Buenos Aires - Argentina).
- ❖ The purpose is to form and educate fitness intructors to reach an international standard of knowledge.
- ❖ Give to the students a high level and last innovated information to reach optimal professional performance.

!! The success is the sum of the right decisions !!

EUROEDUCATION European Fitness School

Where we are...

❖ **EUROEDUCATION** performs in more of 18 european countries (Italy, Austria, France, Germany, Spain, Switzerland, Bosnia and Herzegovina, Ireland, Lithuania, Poland, Croatia, Luxemburg, Serbia, Turkey, Estonia, Russia, Belgium, Portugal and Greece) and anothers (USA, Argentina, Brazil).

❖ Through an organized structure which allow to present the same product of education with the same standard of information, worldwide.

❖ That's the reason we reach the government recognition in Germany "stiftung warentest = GUT" in the same way we have been recognized for the CONI (Comité Olímpico Nazionale Italiano). For the quality of our programs.

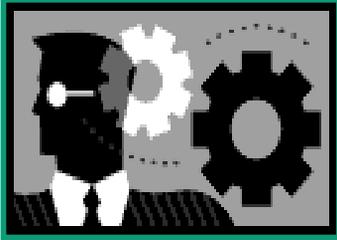

❖ With the best qualified instructors on the world under the personal supervision of Guillermo Gonzalez Vega.

❖ This system allow to keep in each country their own identity and adapt the courses to their own country market.

More than 45 **CEP (Continous Euroeducation Points)** actives now in several European and South American cities like Barcelona, Paris, Munich, Frankfurt, Vienna, Florence, Roma, Luxemburg, Dusseldorf, Buenos Aires, Venice, Marseille, Warsaw, Vilnius, Linz, Torino and Napoli, are now hosting programs of our school.

!! The success is the sum of the right decisions !!

The meaning of Euroeducation...

- ❖ Our main objective is to give a professional standard to fitness industry.
- ❖ Investigation and Development of new trends to reach high performance teaching skills.
- ❖ Develop the best education programs.
- ❖ Promote fitness activities to professional instructors and normal consumers.

!! The success is the sum of the right decisions !!

EUROEDUCATION
European Fitness School

Events held...

EUROEDUCATION has an extensive experience in organizing events worldwide such as:

❖ **EUROCONVENTION**

The main fitness convention in each country.

❖ **EUROMEETING**

Specialized fitness convention.

❖ **EUROFITNESSMANIA**

Regional fitness convention.

❖ **EUROFITNESSDAY**

One day fitness convention.

All these events are made to advertise the new programs and trends developed in the **EUROEDUCATION** (European Fitness School).

!! The success is the sum of the right decisions !!
